Superintendent's Student Advisory Council

The superintendent's student advisory council provides input to the superintendent on a range of issues facing our high schools and their students. The superintendent appoints one student from each high school in the district. The council meets quarterly to provide the superintendent and administration with feedback on the high school experience, preparation for college and career, and improvements needed to our current system.

Meetings are typically held on Tuesdays from 4:00 to 5:30 p.m. Transportation can be arranged.

Advisory council members will be selected for their thoughtful approach to issues and their desire to improve our high schools. Any student may apply. Principals, teachers, and staff are urged to encourage qualified students to apply.

All candidates must answer the questions on the attached application. The completed application and a letter of recommendation from a teacher, principal, or counselor should be submitted to:
